Future Leaders in Prosthodontics 4

Kings College London

Workshop program

March 11 – 12, 2017

FLiP4 is an exciting and innovative weekend workshop for future leaders in prosthodontics who desire to learn skills and capabilities for excelling in leadership situations. Private practitioners and academics alike will be stimulated via a mixture of lectures and “active learning” experiences to improve their effectiveness as leaders.

Free registration

Due to the generous support of our sponsors—the Academy of Prosthodontics Foundation, the Editorial Council of the Journal of Prosthetic Dentistry (JPD), Career Design in Dentistry (CDD), and Nobel Biocare—we are pleased to offer free registration for the workshop. Interested applicants should contact Dr. Sreenivas Koka at skoka@kokadentalclinic.com for further information and to receive application materials. **Application deadline is January 15, 2017**, and early application is recommended as the workshop is open to only 24 participants.

Travel and lodging

Participants are responsible for their own travel and lodging costs. Additional details on travel and lodging will be sent closer to the time of the workshop.

Saturday, March 11		8:30 – 17:00
Dr. David Felton	Being Dean – Leading a University Dental School	
Mr. Melker Nilsson	Corporate Relationships for Private Practitioners and Academics	
Dr. Frauke Muller	Leading Women – Challenges and Opportunities	
Dr. David Bartlett	Being a Successful Department Chair	
Dr. Steven Bongard	Building a World-Class Private Practice	
Sunday, March 12		9:00 – 17:00
Dr. Nairn Wilson	Managing Talent	
Dr. Susanne Scherrer	The Building Blocks of an Outstanding Academic Career	
Dr. Stephen Rosenstiel	Publishing your Work – an Editor’s View	
Mr. Frank Golding	Creativity – the Key to Innovation and Discovery	
Dr. Jonathan Wiens	Making a Difference Through Professional Organizations	
Dr. Sreenivas Koka	Finding your Leadership Signature – What Works for You?	

Breakfast and lunch will be provided on Saturday and Sunday, March 11 and 12, and dinner will be provided on Saturday, March 11. Participants are expected to stay until the workshop is completed at 17:00 on Sunday.
